Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

By viewing this document, you have read the above and agree to the use of the Reports of Decisions subject to the above terms, and that you understand the limitations of this on-line database.

Dear Mr. Senn:

The Executive Committee of the Wisconsin Certification Board, Inc. (WCB) has met to consider your latest request for reinstatement following revocation. I am pleased to report that the committee has granted your request which will allow you to reapply for counselor certification pursuant to section V (B) of the WCB Counselor Code of Conduct (1987) which requires that you must follow the procedures prescribed for normal applications for certification.

In addition the Executive Committee is requiring that you identify a clinical supervisor who will provide to the Executive Committee a written report every six months on your employment status and your ability to maintain adequate boundaries in your counseling relationships. These reports should begin six months after you obtain your new certification and continue for two years. Please have your identified clinical supervisor send me a letter verifying a willingness to provide this information. This letter should be submitted prior to your new application.

If you desire to reapply for counselor certification, you must meet the requirements in force at the time of your new application for certification. Our records indicate that you did not take the International Certification and Reciprocity Consortium's (IC&RC) counselor examination. Before the WCB will accept your new application for counselor certification, you must pass that examination. Our records also indicate that your CPM oral had been done under old procedures which did not measure competence based on the global criteria in each core function.

I have enclosed a Question and Answer pamphlet that will give you a brief outline of the current requirements for our credential. This also includes an order blank if you do not have a current handbook or application materials. I have also enclosed an application for the IC&RC examination. If you have any questions regarding the decision of the Executive Committee, please do not hesitate to contact me.

Sincerely,

Jeff Percy
Executive Director
